Meraki Artisan Teas was born 4 years ago from the increasing demand for high quality, Canadian-produced whole leaf tea at an accessible price.

With an emphasis on ethically sourcing the highest quality ingredients, Meraki Artisan Teas strives to meet and exceed customer expectations in every exquisite cup.

Meraki Artisan Teas comes in biodegradable pouches and recyclable packaging. But most importantly it offers clients the originality, quality, and experience they're looking for, setting our product apart from competitors.

The word "**Meraki**" translates into "Doing something with passion, creativity or love: when you leave a piece of yourself in your work". And that is exactly what we put into these teas.
